A heartfelt thank you

Donor Report
1 August 2016 – 31 July 2017
In 2016/17, over £2.5 million was raised from 943 donors including Trusts and organisations, of whom 79% give as recurring gifts. We saw an increase in funds raised during the annual Post Appeal and Telethon campaigns, as well as from legacies and major gifts. In 2017, we secured funding for two unique ventures in Oxford: a Career Development Fellowship in Chinese Commercial Law funded by Fangda Partners, and an outreach and mentorship programme for students from challenged communities to pursue a degree in History at Oxford.

In September, St Hugh’s bestowed the Elizabeth Wordsworth Fellowship on Weber and Brenda Lo and Eddy and Emily Tang. Joining seven others, the Elizabeth Wordsworth Fellowship recognises outstanding philanthropic support of the College. We were also able to support Henry and Joanna Chan’s induction into the Chancellor’s Court of Benefactors, which celebrates and recognises Oxford’s leading philanthropists. In 2017, Margaret Hanson-Costan (Theology, 1972) was accepted for membership of the Vice Chancellor’s Circle, which recognises Oxford’s leading philanthropists. In 2017, Margaret Hanson-Costan (Theology, 1972) was accepted for membership of the Vice Chancellor’s Circle, which recognises individuals, foundations and corporate benefactors who have provided generous support to the collegiate University.

In March, we joined the Vice Chancellor in Hong Kong where we gathered with our alumni before heading to the University’s Asia Reunion in Singapore. We returned to Hong Kong in July and October meeting with alumni, donors, and friends of the College. I was privileged to be the honoured guest at the Oxford & Cambridge Society of New England’s tenth Annual Ancient Universities Burns Night in Boston, Massachusetts where I had the opportunity to meet alumni based in the New England area.

This year the College launched its North American Alumni Association and began assembling a board of volunteers to help organize regional events for our alumni throughout the United States and Canada.

As we mark the 100th anniversary of women’s suffrage for some in the United Kingdom, we look to continue the College’s strong history of enabling female education and emancipation. Women in Humanities, part of The Oxford Research Centre in the Humanities (TORCH), is a multi-disciplinary centre that brings together experts from across the University of Oxford to develop world-class research that contributes to public and private sector debates and policy around women’s equality. Now permanently based at St Hugh’s, we are looking to expand and enhance the work of the Centre through the creation of an Early Career Fellowship post and a prestigious annual lecture.

In 2018, the United Kingdom’s Year of Engineering, we will also be looking to secure funding for a Career Development Fellowship in Engineering, enabling talented engineers to take a significant first step in their academic careers. An important part of this post will be to provide a role model not just for students at Oxford but also those pupils studying STEM subjects at school and sixth forms. If you are interested in supporting either of these initiatives in such an historic year, please contact the Development Office for further information.

Join me in a celebration of our donors and the impact your generous gifts can and do have across our community.

Thank you again for your support,

The RT Hon Dame Elish Angiolini DBE QC FRSE

“In 1886, Oxford was an unpromising place for women’s education, a development implacably opposed by the majority of male dons. Into this hostile atmosphere, in a rented house, St Hugh’s was launched with four students, in order that girls from families with limited means might have an Oxford education.”

Penny Griffin, St Hugh’s: One Hundred Years of Women’s Education in Oxford

Today, St Hugh’s is a large, co-educational College, which remains very proud of its radical tradition and beginnings. Our success could not have been possible without the generous support of our alumni and donors.

Celebrating our donors
The Funds

Discretionary
The Discretionary Fund remains our area of greatest need. This fund provides crucial student support funding, underpins our teaching and research, and helps to maintain and refurbish our buildings and gardens. When a specific support fund is unable to fully cover a project, position, or award, this fund is instrumental in ensuring that the College’s priorities are met, allowing us to embrace unforeseen opportunities, as well as to respond to critical events. The annual Post Appeal (December 2016) and Student Telethon (March 2017) campaigns are key in supporting the Discretionary Fund.

Both the Student Telethon and Post Appeal campaigns broke previous records for the College, both in terms of gifts received and participation. The 2016/17 Direct Mail campaign raised over £53,000 from 116 alumni, a 13% increase from the previous year. While the Student Telethon raised over £134,000 from 225 alumni, 21% of whom were first-time donors to the College. Thank you to everyone who supported the College through these important campaigns.

Student Support
Donors generously supported students through an array of bursaries, scholarships, awards, and hardship grants to undergraduate and graduate students. In 2017, we awarded 13 named College Prizes and were able to support 34 undergraduate students.

The Student Support fund is often the focus of our fundraising campaigns. This year it awarded £10,125 in hardship grants to 22 students; provided 49 travel awards; supported 30 graduates to present and to 22 students; provided 49 travel awards; supported 30 graduates to present and

Thank you to everyone who has generously supported our undergraduate and graduate students.

Teaching and Research
The tutorial system is an essential part of education at St Hugh’s and Oxford. So many alumni have shared with us their transformative experiences, learning from inspiring tutors who are leaders in their fields. To ensure that future generations of our students also have this opportunity, we are looking to endow our Fellowships, as well as support more postgraduate students in their research needs.

This year saw the launch of our newest Career Development Fellowship in Chinese Commercial Law, generously supported by the Chinese law firm, Fangda Partners. This is the first position of its kind in Oxford, exploring how best to understand Chinese Law and the links between Law, Politics, Economics, and society. St Hugh’s welcomes Dr Mimi Zou as the inaugural appointee. She is an eminent young researcher focusing on the legal contexts of China’s digital economy and Chinese foreign investments.

The 2017-18 Winkler Career Development Fellowship in Experimental Psychology is currently held by Ms Jelena Sucevic whose research focuses on understanding the mechanisms of semantic organisation, particularly the acquisition of new information in infants and adults.

Dr Yuuki Ohta continues his work with Professor Adrian Moore as the Lindsay Sisters Career Development Fellow in Philosophy, focusing on the philosophy of action, metaethics, philosophy of language, and the philosophy of art.

Thank you to everyone who has invested in research and teaching at St Hugh’s.

Gardens and Buildings
Surrounded by Victorian and Edwardian buildings, in some of the largest college grounds, our ‘island-site’ college is a tranquil and restful place to work and live. In order to ensure this continues, we invest in a rolling programme of improvement works to ensure our students, Fellows, and staff can live and work in a stimulating and innovative space fit for current academic demands.

In 2016/17, £495,000 of capital investment was undertaken with a particular focus on renovations of three of the houses on Canterbury Road, procuring a disability access audit, upgrading the kitchens in the Wolfson Building, and implementing a new maintenance system. Additionally, over £150,000 of planned preventative maintenance was carried out across College. 2017/18 will see a focus on 9 and 10 Canterbury Road, increasing security of the bike racks on Maplethorpe Drive, and continued progress with the College Masterplan.

The Library
The Library has been busy further developing the collection and improving services provided to our students. This includes termly exhibitions in partnership with the College Archive, completion of cataloguing the rare book collection, and recategorization of the Science Reading Room, among other projects and activities. This was possible notably by this year’s Book Appeal. Much appreciated donations helped the Library to expand its collection and purchase relevant books and additional textbooks in various subjects including English Literature, Classics, and Mathematics.

The Gardens
In 2016/17, the Garden Team welcomed Mike Hawkins, who previously worked with the Estates department, and said a sad goodbye to Jacqui Custerson who retired after 11 years at St Hugh’s. Jacqui was not only a passionate gardener but also a skilful flower arranger and produced many flower displays for College. This year the team built much-needed composting bays and was able to focus on rejuvenating the herbaceous borders with over £1,000 worth of plants that will provide a beautiful display during the summer months. Next year the team will be looking to build on the success of last year’s bedding displays, in particular the Love Lies Bleeding (Amaranth) which performed excellently over the summer.

Thank you to all of our donors who have supported our buildings and gardens. We are delighted to offer such a tranquil and restful place to live and work.
**Legacies**

Income from legacies continues to be crucial to the future of the College. In 2017, we received over £827,000 through legacy gifts. These gifts are instrumental in supporting the College’s priorities. For example, as a result of a generous legacy from Flora Welch (Modern History, 1925), St Hugh’s has launched in perpetuity a postgraduate scholarship, funding a Humanities DPhil student throughout their programme. Her gift will also create a unique outreach and mentorship programme in partnership with the History Faculty. The first of its kind at Oxford, this programme will train postgraduate students to mentor, support, and encourage students from challenged communities to pursue a degree in History at Oxford. Its inaugural year will focus on secondary schools in Scotland.

**1886 Society**

Thank you so much to those who are thinking about leaving a gift in their will to the College and those who have already done so. Those who notify us of their pledge are recognized as members of the 1886 Society. The Society is a group of over 230 generous and committed supporters who have pledged a gift to the College in their will. Members receive invitations to attend special events, communications on leaving a legacy, and recognition at the Donors’ Tea (May) and the Donors’ Dinner (February).

For those of you who may be considering leaving a legacy, the Development Team will be delighted to send you a legacy guide.

### Leavers Appeals

Every year we ask finalists (and their parents) to make a small donation as they leave College and move on to their new careers. Thank you to everyone who helped raise over £1,000 this year.

### Gift Aid Appeal

Every few years we like to reconnect with our donors regarding their Gift Aid status. We feel it is good practice to regularly contact our donors to see if their Gift Aid status as UK taxpayers has changed. Gift Aid increases the value of qualified gifts by 25% at no further cost to the donor, and the appeal resulted in an immediate increase of nearly £3,000 in donations to the College, with ongoing impact for the years ahead.

### Maximising Your Gift

We work closely with the University to maximise the tax-effectiveness of your gifts. For further information, please visit our website.

2012 Thank you to those who choose
to give anonymously.

Thank you to those who choose
to give anonymously.
Income and Expenditure
St Hugh’s College’s income has increased in 2016/17 to £12.124m, an increase of 10.8% from the previous year. Income, excluding legacies and donations, has increased by 3% to £9.325m and reflects the typical composition of income. Our conference income exceeded £2m this year for the first time.

The College’s expenditure has also increased to £10.055m, up 5% from last year. Despite considerable inflationary pressures from a number of sources including pensions, national insurance and the Living Wage, the College has managed costs carefully to ensure continued sustainability.

Status of Endowment and Investments
St Hugh’s College’s investments increased to £39.5m over the year with a total return of 14%. The College’s investments are placed with two investment managers: £33.45m with BlackRock, and the balance of the funds are with Oxford University Endowment Management. Both funds achieved very similar levels of return in the year ending 31 July 2017.

These investments include shared equity arrangements with College Fellows totalling £2.043m, which is well over the benchmark performance. The College currently takes a drawdown of 3.77% from investments based on a 5-year rolling average of endowment valuation.

Thank you to the many alumni, students, donors, friends, and neighbours who support the College in so many ways throughout the year. A special thank you to those who give their time and expertise to help guide the work of the Development Team.
