

St Hugh's College, Oxford

## **Eight-Hour Stipendiary Lectureship in Applied Mathematics**

St Hugh's College seeks to appoint an eight-hour Stipendiary Lecturer in Applied Mathematics for the academic year 2020-2021. The details are set out below but there is flexibility, and interested applicants are encouraged to contact Tom Sanders ([tom.sanders@st-hughs.ox.ac.uk](mailto:tom.sanders@st-hughs.ox.ac.uk)) if they have any questions.

### **The College**

St Hugh's College was founded in 1886 as a women's college and became fully mixed in 1986. From its beautiful site in North Oxford, St Hugh's promotes a culture of research and intellectual engagement.

St Hugh's has four Tutorial Fellows in Mathematics and one in Computer Science, and a number of additional Professorial Fellows and Lecturers. Specific information on the Fellows can be found at [www.st-hughs.ox.ac.uk/discover/search-people/](http://www.st-hughs.ox.ac.uk/discover/search-people/).

The College aims to admit around 14 undergraduates per year for the single and joint honours degrees in Mathematics and Computer Science.

Further information about St Hugh's College can be found at [www.st-hughs.ox.ac.uk](http://www.st-hughs.ox.ac.uk).

### **The Role**

On average the role will involve teaching eight hours of tutorials and classes for the College each week during term. It will also involve participation in the admissions process (primarily interviewing prospective undergraduates), the marking of mock examinations (collections), and acting as a personal tutor to ten to fifteen undergraduate students.

The undergraduate mathematics course at Oxford is described at, <https://courses.maths.ox.ac.uk/overview/undergraduate>. We have a range of teaching needs including most of first year Applied Mathematics, specifically Introduction to Calculus, Geometry, Dynamics, Fourier Series and PDE and Multi-variable Calculus (essentially Prelims M4 and M5). The successful applicant is likely to teach these courses.

### **Salary and Benefits**

The annual stipend for the post will be on a scale starting at £18,341 per annum and will be pensionable. Lecturers at St Hugh's College are eligible to become part of the Universities Superannuation Scheme. In addition, the Lecturer will be a member of the Senior Common Room in St Hugh's, and will have an entitlement to an allowance of free lunches in College when the kitchens are open.

### **Application Procedure**

Those wishing to apply for this post should submit a brief *curriculum vitae* (including the names of two referees) together with a statement of their teaching experience and range in relation to the areas

outlined above. Applicants should also ask their referees to email the College Office directly by the closing date. The selection committee takes this opportunity to thank in advance all referees.

Applications and references should be submitted (preferably as PDFs), to the Academic Administrator, Miss Sinéad Adams, ([college.office@st-hughs.ox.ac.uk](mailto:college.office@st-hughs.ox.ac.uk)) by **Noon on Friday 31<sup>st</sup> July**. The recommendation of the selection committee will then need to be approved by the College's Governing Body before a formal offer is made.

The appointment will be conditional on verification of the successful candidate's availability for employment in the UK. Applicants who would need a work visa if appointed should note that the salary for this post does not meet the thresholds associated with Tier 2 visa. Further information is available at [www.ukba.homeoffice.gov.uk/workingintheuk/](http://www.ukba.homeoffice.gov.uk/workingintheuk/).

Candidates are also asked to complete a copy of an equal opportunities form, available from [www.st-hughs.ox.ac.uk/vacancies](http://www.st-hughs.ox.ac.uk/vacancies) and return it to the HR Officer, [hr@st-hughs.ox.ac.uk](mailto:hr@st-hughs.ox.ac.uk). This form is used for monitoring purposes only and will not be seen by any member of the selection committee.

*St Hugh's College, Oxford is an equal opportunities employer.*
