Creating our future together...
My sincerest gratitude to all our alumni and friends across the world who continue to support the College with vital funds ensuring that our fantastic academic community continues to thrive.

Ongoing support is critical and we need your help to close the ever-increasing funding gap between costs and income. Your donation today will help to create a sustainable future together.

Lady Elish Angiolini LT DBE PC KC, Principal
Studying PPE at St Hugh’s was pivotal for me in developing the knowledge, skills and drive required to succeed in the Financial Services industry where I am now a Managing Director in a global bank.

Martin Coulson (PPE, 1995)

“Studying PPE at St Hugh’s was pivotal for me in developing the knowledge, skills and drive required to succeed in the Financial Services industry where I am now a Managing Director in a global bank.

Martin Coulson (PPE, 1995)

Your gifts ensure that all students are given the best support possible during their time at College to focus on learning and skill building enabling them to change and shape our world.

Environment, Climate, & Sustainability

The College is working towards a net zero carbon target by 2050. We are committed to reducing the environmental impact of all our activities by improving the sustainability of operations and embedding a culture of environmental sustainability throughout our community.

As one of many colleges within the world’s top-ranking University of Oxford we have both the potential and responsibility to lead the way in sustainability though ongoing research and education as well as inspiring engagement.

With your support we can make plans and take action to transform the entire college estate into a fit for purpose and sustainable institution for many more years to come.
Area of Greatest Need

Unrestricted and flexible funding is more important than ever. A gift to the Discretionary Fund allows the College to direct donations to the areas of greatest need: teaching and research, student support or an academic opportunity not to be missed. It also helps to address the unforeseen costs and challenges that an amount of planning can anticipate.

In short, the Discretionary Fund supports every aspect of our work and community.

Make a Difference Every Day

A recurring and regular gift is an impactful way to support the College, helping us to plan ahead on a day-to-day basis, to allocate resources effectively and efficiently. Regular gifts are easy to set up online, either as a one-time gift or direct debits. They make a real difference to the College’s mission and success. A recurring gift can be made to the Discretionary Fund and directed to wherever the need is greatest, or to another specified area.

If 100 alumni gave £25 each month over a 3 year period, with Gift Aid claimed, the £15,000 raised could...

- Fund 30 student bursaries to help cover academic and living costs
- Support a 3-year Career Development Fellowship
- Renovate and upgrade 6 kitchens and bathrooms

Your Legacy, Their Future

The 1886 Society is a dedicated cohort of alumni, friends, and academics who have generously pledged to leave a gift to the College in their Will. St Hugh’s would simply not have advanced to where it is today were it not for the many transformational bequests to the College. We are most grateful to all those who have remembered St Hugh’s in their Will and through The 1886 Society we are able to acknowledge this future commitment and stay connected.

Student Support Fund

In 2019–20 the College provided more than £262,000 in undergraduate and graduate student financial assistance – 35% came directly from alumni support. This vital fund provides bursaries, research awards, scholarships and prizes, as well as grants for students experiencing unforeseen financial difficulty. Now more than ever we need your help to support the next generation of St Hugh’s students.

A gift of £100 a month for 1 year, with Gift Aid, would provide a £1,500 grant to help a student struggling to cover accommodation and food costs

A gift of £15 a month for 1 year, with Gift Aid, would fund a student’s language course – average cost £225

Outreach and Access

Our outreach strategy is ambitious. For the past five years, the scope, variety, and reach of what we do has increased significantly, especially supporting prospective students from historically underrepresented groups. We have developed numerous initiatives, from the interdisciplinary subject masterclasses, an online Q&A series with undergraduate ambassadors, online support schemes for the summer and created a new Teachers’ Summer School. There is always more we can do.

Your gifts raise the aspirations of talented students, helping to open the door to an Oxford education and a brighter future full of opportunity.

Teaching and Research

Together we have been able to significantly increase the number of graduate scholarships at St Hugh’s. An average of 1.7 new awards 10 years ago is now 7.3 new awards per academic year. In total, we have made awards to 46 scholars in the last ten years.

## Maximising Your Gift

Gift Aid increases the value of your gift to the College by 25%. For every £1 a UK taxpayer donates, 25p in reclaimed tax is added at no extra cost to you. Simply complete the Gift Aid declaration when making your gift.

## Giving From Overseas

Gifts can be made tax efficiently from many countries including the USA, Canada, Germany, Switzerland, and Hong Kong. Visit [www.st-hughs.ox.ac.uk/alumni-friends/supporting-the-college/](http://www.st-hughs.ox.ac.uk/alumni-friends/supporting-the-college/) for more information.
