St Hugh's College guarantees at least 84 rooms to its graduate students. The College aims to exceed this guarantee every year in order to demonstrate its commitment to St Hugh's graduates. The majority of leases will be for 12 months. Please note we are not able to offer accommodation for families, couples or part-time students.

St Hugh's cannot guarantee all graduates accommodation, but the College does follow selection criteria. The usual system of priority will be used to determine which new graduates can be offered a room (highest to lowest), and which graduates will be placed on the waiting list:

1. Graduates with health, disability or welfare needs
2. Overseas graduates
  - a. Overseas graduates from outside the EU who have not lived in the UK
  - b. Overseas graduates from the EU who have not lived in the UK
  - c. Overseas graduates who have lived in the UK
3. UK non-Oxford graduates
4. All other graduates

St Hugh's graduate accommodation is situated on College grounds in shared houses and the Dickson Poon Building. The dedicated graduate accommodation areas of the College are Victorian Villas on the Banbury Road, East and West Cottage, The Stables, Wolfson Ground Floor Flat and the Dickson Poon Building. Please note, the Licence to occupy (4.10) states that students are not permitted to remove any existing furniture from their bedrooms, or bring additional furniture.

At the end of this document, you will find a table with buildings, rooms, bands and costs.

All study bedrooms will be supplied with the following as a minimum – bed, mattress, mattress protector, desk, desk chair, desk lamp, chest of drawers or similar storage space provided in the built-in wardrobe, wardrobe, easy chair, bedside table (if space), noticeboard.

### Provision in the kitchens:
